➔ Ethan Gold

Add Date: July 19

Artist: Ethan Gold

Album: Adventures of Power: Original Motion Picture Soundtrack

Label: Gold

Genre: Rock

Comments: Do you remember that movie back in 2008 called *Adventures of Power*, a film written and directed by Ari Gold, with Michael McKean, Jane Lynch and Adrian Grenier? Unless you were one of the lucky people to see its debut at the Sundance Film Festival, that would be a "no," until now. The movie is finally becoming available to own and enjoy on DVD, in addition to its soundtrack of original songs by Ethan Gold. Containing indie theme songs for the characters and action of the comedy, the soundtrack is easily enjoyable.

Try out tracks 2, 3, 18 or 26. And rent the movie, if you're so inclined.
